

Personal Information:

Full Name: Khaled Ahmed Abd Elaziz Swidan

Email: khaledqutb4@gmail.com

Phone / WhatsApp: +201111988998

LinkedIn: [linkedin.com/in/bohemiancoder](https://www.linkedin.com/in/bohemiancoder)

GitHub: github.com/KhaledSwidan

Portfolio: khaledswidan.github.io/khaledSwidanCV/

Summary:

I am a Frontend Web Developer with experience in creating responsive and interactive web applications using HTML5, CSS3, and JavaScript (ES6+). I specialize in frameworks like React.js and Next.js, and I am passionate about crafting seamless user experiences. Additionally, my background in chemical processing and my degree in science have honed my analytical and problem-solving skills, which I apply to developing efficient and innovative web solutions.

Education:

Degree: Bachelor of Science Geophysics

Institution: Alexandria University

Graduation Year: 2016

Certifications:

Frontend Web Developer from Meta Professional Certificate – Coursera (2024)

React - The Complete Guide 2025 (incl. Next.js, Redux) / Maximilian Schwarzmüller

– Udemy (from 2023)

Languages:

Arabic: Native / **English:** B1
